

**ADVERTISEMENT: REQUEST FOR PROPOSALS**  
**Town of Warren**  
**School Street Neighborhood Improvements Project (SSNIP)**

The Town of Warren has been awarded funds from the FY 2016 Massachusetts Department of Housing and Community Development Block Grant Program. Design engineering services are needed for Quaboag Street, Lombard Street and Moore Avenue located within the School Street neighborhood of Warren, MA. Engineering services sought through this RFP include full site survey, site base plan development, soil borings suitable for pavement design of all roadway within the project limits, identification and pursuit of any and all required easements, preliminary design plans, final design plans and specifications, preparation of bid documents, and a detailed description of any proposed future construction and engineering scope of service with cost estimates. Pending the availability of future funds, the engineer will provide Phase II services including assistance in the preparation of bid documents, construction administration, and resident engineering services. The estimated future construction cost for these streets is approximately \$2,500,000.

A more detailed Request for Proposal (RFP) is available at the Pioneer Valley Planning Commission, 60 Congress Street, Springfield, MA 01104, (413) 781-6045, from 9 AM to 5 PM. To request an electronic copy of the RFP, please contact [mmazik@pvpc.org](mailto:mmazik@pvpc.org). The RFP will be available from the time of this notice until the due date specified below. The Town of Warren reserves the right to reject any and all proposals if it is deemed in the best interests of the Town to do so. The Warren Board of Selectmen will be the awarding and contracting authority.

**Completed proposals are to be submitted no later than 3:00 PM, Wednesday, October 12, 2016 at the Pioneer Valley Planning Commission, 60 Congress Street – 1<sup>st</sup> Floor, Springfield, MA 01104-3419.**
