**ONLY IF NEEDED FOR PROPOSED ZONING
BYLAWS. – DETAILS BELOW**

1. Moratorium on Medical Marijuana Facilities
2. Creation of Associate Planning Board Member

The moratorium on medical marijuana facilities would prohibit the establishment of such facilities for a period of one-year from the date of adoption by Town Meeting. During this period, the Planning Board will propose a zoning amendment to regulate the land use impacts of these facilities in a manner consistent with state law and Department of Public Health regulations.

The creation of the position of Associate Planning Board Member is authorized by M.G.L. c. 40A §9. An Associate Member may fully participate in a special permit application if a regular member of the Board is unable to participate in the case of absence, inability to act, or conflict of interest, or in the event of a vacancy on the Board.

The proposed zoning amendments are available for review at the office of the Town Clerk in the Shepard Building. Office hours are Monday, Tuesday, and Wednesday from 8:00 AM to 3:00 PM and Thursday 1:00 to 6:00 PM.
