Comments & Concerns-

Mrs. King spoke about the Trailer truck parked on Southbridge Road. She spoke with Jim Ferrera, the town administrator and he said there was nothing he could do about the trailer truck being there because it falls under chapter land. This would be something to speak with the Assessor's office. The police department said this does not fall under their control. Mr. Dufresne suggested the planning board consider adopting enforcement by-laws to give the Building Commissioner the ability to address the situation. Mrs. King said that she would speak to the assessors and with Mr. John Freeman about the trailer truck. The board suggested Mrs. King talk with Highway to see if it is a scenic road.
