Discuss marijuana bylaw and use chart-

There was a request for the Building Inspector to give a zoning review town by-law 15.2 with respect to Cultivation in the Rural District. During that review, we found that in 2018 when the marijuana by-law was amended there was a clerical error. The usage chart was not amended to reflect the changes. The board agreed to have it corrected.

Informational Discussion on Wind Bylaws-

Reviewed language of new by-law.
