

Free Training

MCPPO
Excellence in Public Procurement

Chapter 30B Overview Training

This free in-person training will provide attendees with an overview of Chapter 30B – the Uniform Procurement Act. Most local jurisdictions must follow Chapter 30B for the purchase of supplies, services, and real property as well as the disposition of real property and surplus equipment and supplies. This training will prepare you to use bids, RFPs, cooperative contracts, and more.

If you have Chapter 30B questions, please contact our confidential hotline at 30Bhotline@mass.gov or 617-722-8838. We respond to most calls within 24 hours.

Training: Chapter 30B Overview
Tuition: Free

Seating is limited.

If possible, each community please send no more than two employees to this training.
