

Town of Warren  
Tree Warden

NOTICE OF PUBLIC HEARING

In accordance with Massachusetts General Laws (MGL), Chapter 87, Public Shade Tree Law, Section 3 (Cutting of Public Shade Trees; Hearing; Damages), the Town of Warren Tree Warden will hold a public hearing regarding an application for National grid to remove public shade trees on November 6, 2023, at 4:00 pm at the Warren Highway Garage 87 Brimfield Road, Warren MA. Any person interested or wishing to be heard on this matter should appear at the time and place designated.

The program included a tree-by-tree hazard assessment of public and private trees, along three-phase lines which serve the community. The work is recommended to remove hazard trees for additional clearance in order to reduce tree outage problems affecting large numbers of customers served by these main lines. National Grid's arborists have identified Twenty-six (26) town trees for removal along town roads. Town trees located within the public way that are designated for removal have been marked with a small red ribbon and posted with a notice of public hearing in the field.

The road with town trees affected by the program is Little Rest Rd. A complete list of town trees designated for removal or pruning including information about the location, size and species of the affected trees and the reason for work proposed, is available weekdays from the Town Hall, 48 High St. Warren MA and the Town Library, 934 Main St Warren MA during normal business hours.

Jeremy Olson, Tree Warden
