NOTICE REGARDING LIHWAP

(Low Income Household Water Assistance Program)

Worcester Community Action Council is working with communities to provide water and sewer payments on behalf of your residents.

This eligibility happens automatically with the federally funded LIHEAP (fuel assistance) program.

Despite numerous contact attempts, your community has not completed the contract process and runs the risk of missing out on payments on behalf of your clients.

We only have a few more months to get this money into your hands on behalf of the income-eligible members of the community. Please help us to help them—and you!

Let us know if you have any questions.

Best regards,

Kimberly Martinetty, Program Coordinator: kmartinetty@wcac.net 508.762.9808
