## SEPTEMBER 2020

### DIRECTOR'S DESK

As we say goodbye to a hot, dry, confining summer. We have high hopes that the Fall will bring cooler, more normal weather and social conditions. Here at the Center we are trying very hard to bring as many social programs to you as we can, to maintain everyone's safety. We will be doing another Kayaking with the Directors, as the first one was so much fun! Our walking group will be taking a field trip to the beautiful Lucy Stone Park, and we are running Bingo out in our parking lot. We will be doing a gentle hike in the Berkshires early in October, and any suggestions or ideas for things we can safely do are always welcome.

Stay safe!  
Sharon
